

Peru

An account of the recent resounding advances in the people's war in Peru being led by the Communist Party of Peru (PCP).

Perestroika

An analysis from the pages of the Indian Marxist-Leninist newspaper *Mass Line* on the factors behind the Gorbachev phenomenon and its significance.

Bangladesh

The rulers of Bangladesh and their imperialist masters declare that the people of Bangladesh are too poor and ignorant to do anything about the floods which are ravaging their land with unprecedented frequency and severity. A supporter of the Purba Bangla Sharbohara Party (PBSP) shows how this recent increase in the scale and scope of flooding is a result of the rule of imperialism and reaction, and why flood control is impossible without new democratic revolution.

A World to Win has been inspired by the formation of the Revolutionary Internationalist Movement, announced on March 12th, 1984, which has regrouped many Marxist-Leninist parties and organisations from around the world. It is not an official organ of the RIM. Its pages are open to all those on the same sides of the barricades in the fight against imperialism and reaction.

STEP FORWARD!

A World to Win cannot accomplish its tasks without the active support of its readers. Letters, articles and criticism are needed and welcome. Manuscripts should be typed double spaced. In addition we need translators, help with distribution (including through commercial channels) to make this magazine available in as many countries as possible, art work (as well as clippings and original photos), and of course financial contributions from those who understand the importance of the continued publication of this magazine. This includes both individual contributions and the efforts of those who undertake the responsibility for raising funds for this magazine. Send pledges and donation cheques made out to "A World to Win."
